Commissioner for Patents
Arlington, VA 22313

Sir:

This Amendment is submitted in response to the Office Action mailed May 4, 2005 and is submitted by the current due date of June 4, 2005.

The applicant has numbered the Claims as per the Examiner's inputs to clearly indicate the status identifier for each claim. Claims 1-24 were previously cancelled without prejudice. However, the applicant in this amendment presents new Claims 48-71 that generally relate to the original Claims 1-24 with new numbering. The applicant[s] request that the Claims 25-47 previously presented and/or currently amended and new Claims 48-73 presented via this amendment be considered on their merits.

The applicant is under the impression that the Power of Attorney filed on 09/08/2004 and accepted by your Office [Confirmation Number 3145, OC 00000001624008, mailed 11/29/2004] provides for Raman K. Rao to act on behalf of all the inventors. The applicants request that Raman K. Rao be recognized for the purposes of communication with the USPTO. In any event, the present amendment is signed by all the three inventors to ensure compliance and expeditious processing. Consideration is respectfully requested by the undersigned applicants,
